About our Company

Skillco Pty Ltd provides innovative and competitive construction industry labour hire to our clients across NSW, Victoria & the ACT.

We are a serviced-based business and a key factor to our success is creating alliances and long lasting relationships with our clients and stakeholders.

Skillco is a family operated business with the skills and experience of over 30 years to our clients in the building construction, civil and engineering sectors.

Our large database has enabled us to provide clients with reliable access to quality skilled staff.

The goodwill and reputation associated with the team behind Skillco provides our clients with the highest quality service which allows us to support their success.

Skilled personnel to get the job done efficiently.

Our Services

We pride our business on offering experience and reliability through the delivery of 24/7 cost-effective construction services. We strive to get the work done punctually by applying management systems and developing construction process that is kept simple, efficient and always to the highest level of quality.

At Skillco, daily risk assessments and toolbox meetings are performed to bring our team leaders aligned with the project goals and to achieve best results on site.

Our Services

LABOUR HIRE

SkillCo are experts in construction labour hire, we understand the critical importance of providing the construction industry with a vast array of trained and qualified staff, spanning from general labourers to skilled tradespeople. This comprehensive approach ensures that construction projects are equipped with the right personnel possessing the necessary skills and expertise to meet the diverse demands of the industry.

Whether it is for one day, one week or the duration of your project, our employees will become valuable members of your team.

We provide the following, or can tailor a package to suit your needs.

- ▶ Labourers - Construction/Civil
- ▶ Concrete Labourers
- ▶ Hoist Operators
- ▶ Dogmen
- ▶ Tradespeople
- ▶ Form Work
- ▶ Forklift Drivers
- ▶ Crane Operators
- ▶ Manitou Operators
- ▶ Cleaners

Our Services

TRAFFIC MANAGEMENT

We ensure the safety of construction workers, motorists and the general public by supplying only the best and most experienced traffic crews in the industry.

Our experienced, professional traffic control personnel are fully trained and qualified. They are instructed to focus on safety and reliability to achieve successful outcomes on site.

To minimise the number of contractors you need to deal with, we provide comprehensive project support, including traffic management services.

We assist with:

- ▶ **Permit Applications**
- ▶ **Traffic Plans**
- ▶ **Message & Arrow Boards**
- ▶ **Traffic Event Management**
- ▶ **24 Hour Services**

Our Services

CLEANING TEAMS

Our Cleaning Services suit every need regardless of the size of the project. We have experienced cleaning teams to provide successful results. Focused on every detail of the job.

Our process of recruitment for cleaners ensures that you get vigilant employees. Hence, we examine their observation skills as well. Whether it's about keeping a check on dangerous goods or staying updated with security management, we help you find the most suitable cleaners.

At SkillCo, we offer one of the best cleaning hiring services in NSW, VIC & ACT. No matter, it's residential or commercial cleaning requirement, we find labours, who efficiently complete all the tasks as per requirement. Our extensive experience makes us one of the most trusted labor hiring companies.

- ▶ **Internal & External Construction Jobsite**
- ▶ **Construction in Process**
- ▶ **End of Construction**
- ▶ **Retail Fit-Out Cleaning**
- ▶ **High Pressure Washing**
